CUT HERE

Tough Enough to Wear Pink was created by entrepreneur and breast cancer survivor Terry Wheatley to bring the sport of professional rodeo and the western community together to rally against breast cancer. Since its inception in 2004, TETWP has empowered rodeos and western events in the U.S. and Canada to focus attention on the need for a cure. To date, the campaign has raised \$5 million dollars for breast cancer charities, much of which stays right in the community. The grassroots movement has inspired other sports communities to mount their own TETWP campaigns, spreading a message of hope and support that reaches beyond the rodeo arena to competitors, families and fans across America.

THIS YEAR'S GOLF EVENT WILL BENEFIT FAYE'S HOUSE

Bringing a message of Hope, Healing and a safe Haven to those touched by cancer.

Because There Is Hope offers cancer patients lodging when coming from out of town to Spokane for cancer treatment.

Faye's House will be here to offer those that have been touched by cancer temporary housing, education and other resources during treatment and recovery.

Faye's House will be named in memory of Faye McLain. Faye was an inspiration to my self and others during her journey of breast cancer. She inspired many to reach out and offer help and hope to those that have been touched by cancer. Thus, the idea of Faye's House was born.
